### Annual Scientific Meeting 22nd-23rd November 2023

The Convention Centre

Dublin

## Preliminary outline programme includes

- **An advanced Skills Workshop**
  - Temporal artery imaging
  - EVAR endoleak imaging
  - Pedal vessel imaging
  
- **Scientific and case study presentations**
  
- **Update on carotid artery imaging and advances in disease assessment**
  - Carotid Stenosis Grading Audit
  - Advances in AI to Assess Carotid Disease
  
- **MDT approach to Diabetic Foot Management**
  - Radiological treatment of Below The Knee (BTK) vessels
    - Pedal vessel 3D and contrast imaging
  - Treatment/management of the Diabetic foot – The bigger picture
    - Diabetic foot MDT
  
- **Current and future direction for Physiological Sciences education across UK and Ireland**
  - Dr Siobhan Daly  
Head of School, School of Physics, Clinical and Optometric Sciences  
TU Dublin
  - Dr Lisa Ayers  
Interim Head of National School of Healthcare Science

➤ **Special Guest Speaker**

‘Exciting new research and development in engineering magnetically targeted systems for precision drug delivery’

➤ **The Great Debate**

Should Vascular Scientists adopt extended/advanced clinical roles?  
Two teams of Consultant Vascular Surgeons and Vascular Scientists discussing for and against

---

➤ **SVT Evening Drinks Reception**

The ASM is a fantastic and valuable networking event to discuss and learn from colleagues across both sides of the Irish Sea and bring home new ideas to influence your service and clinical practice.

---

**The Convention Centre  
Dublin**

*The Convention centre is a fantastic, modern, and multiple award-winning venue overlooking the River Liffey at Spencer Dock. It offers very high standards, including the food and refreshments!*

*Travel to the venue is really easy and only a 20min bus ride from the airport (784 Dublin Express Bus)*

*Dublin centre is only a short walk away for anyone wishing to sample the delights of this amazing city.*

*This year, the SVT have secured two conference rooms, one for talks, and the other for Wednesday’s practical skills training.*

*Please see the link below for a closer look at the venue as a whole.*

---

➤ **Save Money!!!**

Booking travel and accommodation early will reduce costs....getting to Dublin could be cheaper than attending events in the UK!

**Advance notice** – due to a packed programme, there will **not** be a research proposals session at the ASM this year.
